8TH INTERNATIONAL CONFERENCE ON
MANAGEMENT, EDUCATION AND EMERGING TECHNOLOGY

Seoul, South Korea | 13th-14th August

Organized by
Core Research Foundation(CRF)

CRF
Core Research Foundation

About the Conference

Meet Conferences aims to set a collaborative goal for finding of new dimensions in research field, MEET is bound to serve as a platform that facilitates the deliberation of the challenges involved in the practical implementation of all the most advanced knowledge produced in the fields of Management, Education, Social Sciences, applied science and various field of engineering and technology.

MEET organized by Core Research Foundation is a periodic event hosted in collaboration with educational organization to facilitate Academicians, scholars and researchers working in their field of research by providing overall educational aids. Also this platform is designed to share your knowledge, research and experiences with other enthusiasts, and develop opportunities for cooperation and common goal to new possibilities.

About CRF

Core Research Foundation (CRF) is a Research Platform recognized by Core research Private Limited, India. In CRF, we are dedicated to provide an outstanding platform for leading institutions, academicians and researchers. We strive create an environment that encourages knowledge scalability and cater to the requirement of associated members by providing conference and journals publication services. Core Research Foundation-CRF is the emerging research platform for academicians, researchers and Scientists. CRF creates, connects and associates throughout global Institutions and research houses to provide knowledge scalability and research advancements with the help of different academic activities.

Objective of the Conference

The objective of an international conference on management, education, and emerging technology is to provide a platform for researchers, academicians, professionals, and industry experts to come together and exchange ideas, knowledge, and experiences in these key areas. The conference aims to foster collaboration and innovation, addressing challenges and exploring opportunities for advancements in management practices, education systems, and emerging technologies.

- Knowledge Sharing and Dissemination: Facilitate the exchange of cutting-edge research findings, methodologies, and best practices in the fields of management, education, and emerging technology.

- Interdisciplinary Collaboration: Promote interdisciplinary collaborations among participants from diverse backgrounds, encouraging cross-pollination of ideas and perspectives.

- Professional Networking: Provide a forum for professionals, scholars, and practitioners to network and establish meaningful connections, potentially leading to collaborative projects and partnerships.

- Promotion of Education Excellence: Showcase and promote excellence in education, encouraging the adoption of effective teaching methodologies, educational technologies, and management practices.

- Technology Adoption and Integration: Explore the integration of emerging technologies into management practices and education, discussing the potential impact on efficiency, productivity, and learning outcomes.

- Cultural Exchange: Celebrate and appreciate cultural diversity by bringing together participants from different countries and backgrounds, enriching the conference experience.

Why to Choose us

1. **Expertise in Research:** Core Research Foundation likely has a strong background and expertise in conducting and promoting research. This can ensure a high-quality academic environment for the conference.

2. **Network and Collaboration:** Being associated with a foundation can provide access to a wide network of researchers, scholars, and professionals. This network can facilitate collaboration, knowledge exchange, and networking opportunities during the conference.

3. **Credibility and Reputation:** Core Research Foundation's reputation may add credibility to the conference. Attendees may be more inclined to participate in and trust an event organized by a well-established and reputable research foundation.

4. **Resources and Support:** The foundation may provide logistical support, resources, and infrastructure for organizing a successful conference. This can include administrative assistance, funding, and access to research facilities.

5. **Publication Opportunities:** Some research foundations have established journals or partnerships with reputable publications. This association can provide conference participants with opportunities to publish their research in well-regarded outlets.

6. **Global Reach:** If Core Research Foundation has an international presence, it can attract participants and presenters from a diverse range of countries, enhancing the global perspective of the conference.

7. **Commitment to Excellence:** Research foundations often have a commitment to promoting excellence in research and education. Aligning with such an organization reflects a dedication to high academic standards.
About the City

Seoul serves as the capital of South Korea and it's most extensive urban center. Seoul is in the northwest of South Korea. Seoul proper comprises $605.25k.m^2$ with a radius of approximately 15km roughly bisected into northern and southern halves by the Han River.

Seoul is the business and cultural hub of South Korea. Seoul seamlessly blends the old and the new-a place where you'll see skyscrapers towering over palaces and pagodas. Seoul has served as the national hub for the music, entertainment, and cultural industries that have propelled K-pop and the Korean Wave to international prominence.

Kick thing's off by getting a view of it all at the N Seoul Tower, it's built atop a peak in Namsan park,so you'll catch fantastic, panoramic city views.

After that, you can get exploring by foot:The teahouses and shops of Insadong,the grounds and museums of Gyeongbokgung, and changdeokgung palace(a UNESCO World Heritage Site) all nod to traditional Korean culture.

Session and Tracks

1. Management Tracks:

- Organizational Management
- Strategic Management
- Human Resource Management
- Financial Management
- Operations Management
- Marketing Management
- Project Management
- Business studies
- Human Resource Management
- Organizational Behavior
- Leadership
- Strategic Management
- Strategic Human Resource Management

2. Education Tracks:

- Pedagogy and Teaching Methods
- Curriculum Development
- Educational Technology and e-Learning
- Assessment and Evaluation
- Educational Leadership and Administration
- Lifelong Learning
- Inclusive Education
- Social Science and Humanities
- Language Education
- Geographical Education
- Health Education
- Home Education
- Science Education
- Secondary Education
- Social Studies Education

3. Emerging Technology Tracks:

- Artificial Intelligence and Machine Learning
- Block chain Technology
- Internet of Things (IoT)
- Augmented and Virtual Reality
- Cyber Security
- Data Science and Analytics
- Smart Cities and Infrastructure
- Agricultural Engineering
- Chemical Engineering
- Civil Engineering
- Computer Engineering
- Electrical Engineering
- Electronic Engineering
- Power Engineering
- Environmental Engineering

4. Interdisciplinary Tracks:

- Integration of Management and Technology in Education
- Cross-disciplinary Collaboration
- Innovation and Entrepreneurship
- Sustainable Development and Technology
- Applications of Technology in Business
- Technology in Healthcare Management
- Technology in Financial Services
- Technology in Education and Training

Session Chairs

Dr. S. M Ferdous Azam
Management & Science University, Malaysia

Arvin Roxas De La Cruz
Chief, Research and Extension, Graduate School PUP Manila, Philippines

Co-Chair

Keynote Speaker

Dr. Arun Kumar Tarofder
Management & Science University, Malaysia.

Prof. B.A Chopade
Vice-Chancellor, AKS University, Satna, Madhya Pradesh, India.

Co-Organizers

01 Early Bird Registration
14th May 2024

02 Abstract Submission
21st May 2024

03 Full Paper Submission
04th June 2024

04 Registration Deadline
30th June 2024

Venue

Seoul, South Korea
